

Parenting Classes:

The Family Law Courts in Harris County require a parenting class prior to completion of most cases involving children.

(See Harris County Local Rules, Family Courts: **RULE 12. PARENT EDUCATION AND COUNSELING** 12.1 Except for good cause shown, in all divorces joined with suits affecting the parent-child relationship, the court shall require parents to attend an educational program for divorcing parents. In its discretion, the court may also refer parents involved in modification or enforcement litigation, or a child involved in any type of custody litigation, to an education course or for counseling. In protective order cases authorized by Chapter 85, Tex. Fam. Code. the court may refer a party to a batterers' treatment program.)
